Heat Pump Application Process:

- The purchaser's nominated builder is to install the heat pump as part of the build contract.
- Once installed, please fill in this application form and email or post to Peet along with proof of installation.
- Peet will confirm receiving your application via email.
- Once approved, Peet will supply the purchaser with a sum of \$1000 within 8 weeks.

Please note, to be eligible for the Heat Pump, your builder must install this as part of the build which must be completed within 24 months of settlement. You must be the original purchaser of the Lot. For inclusions and full terms and conditions, please refer to Annexure X - Better Life Bonus in your contract.
